One Warm Coat is a national non-profit organization that works to provide a free, warm coat to any person in need. One Warm Coat supports individuals, groups, companies and organizations across the country by providing the tools and resources needed to hold a successful coat drive. Coats are distributed in the communities where they were collected, to children and adults in need, without charge, discrimination or obligation. Since One Warm Coat's inception in 1992, we have worked with our volunteers to host more than 27,000 coat drives and have given away more than 5 million coats.
