Happy New Year!

The Greek Orthodox Ladies Philoptochos Society is approaching its 90th Anniversary! Our philanthropic mission and responsibility is to do our best to fulfill the needs of those in our community and globally who are hungry, destitute, and those who face life challenging situations. We look forward to achieving these goals together and welcome your suggestions!

Due to many restrictions, meetings and events may not occur in the same fashion as they did in the past. In order to continue our philanthropy, we are looking for innovative opportunities and approaches that can be accomplished within the current limitations. Please watch for emails regarding future meetings and events.

We kindly request that you consider sharing your unique talents and gifts in Christian fellowship. Please submit your 2021 Philoptochos Stewardship by March 15, 2021. Thank you in advance for your loyal commitment to the Assumption Philoptochos!
